- *Subscribers earn the chance to win thousands of dollars in cash prizes*
- *SLING TV rewards you for watching TV*

ENGLEWOOD, Colo., March 5, 2024 /PRNewswire/ -- SLING TV, the streaming TV provider who puts customers in control of their entertainment, is proud to announce the highly anticipated launch of stage two of its newly released Rewards. Beginning today, we are inviting additional SLING subscribers to collect entries and earn their chance to win. With \$25,000 in prizes up for grabs, SLING users have more reasons to indulge in their favorite TV shows and movies.

"Stage one of Rewards was so successful that we're going bigger for stage two," said Gary Schanman, group president, DISH Video Services. "We want more of our subscriber base to fall in love with it the way others have. We are increasing the payouts and prizes and inviting more people to play. We want to make sure our customers and users have a voice and help drive what our program looks like."

SLING is the most flexible streaming service on the market. Since its inception in 2015 SLING has continually listened to its users and their feedback to create a user experience that gives people choice, options and flexibility. Building on the success of stage one, stage two of Rewards allows for more customer interaction, engagement and connection, whether users are binge-watching their favorite series or catching up on the latest news, or cheering on their team, every minute spent on SLING brings them one step closer to winning big.

"Every day we are looking for ways to improve SLING and its entire experience for our subscribers and users," added Schanman. "Rewards allows us to show them how much fun SLING is. We are committed to providing our subscribers with the ultimate streaming experience, and stage two of Rewards is just another way we are delivering on that promise. We are only getting started, there is so much more planned for 2024."

From cash prizes to exclusive SLING services, Rewards will have something for everyone. Subscribers can earn up to 70 entries per day, increasing their chances to win the more they use the service. One grand prize winner will walk away with \$10,000. 20 people will receive \$500 and 125 people will receive a free month of SLING TV.

Stage two Rewards winners will start to be notified on or about March 19, 2024.
